## Land Registry

Land Registration Rules 2003

# SIMR

Certificate Date: 19 Apr 2016
Certificate Time: 00:00:01
Certificate Ref: 9/G07RTL

Property	Land edged red on the plan attached to the application and described in form SIM as GRANTSFIELD COTTAGE & LAND, KIMBOLTON, LEOMINSTER, HEREFORDSHIRE, HR6 0ET.
----------	--

The index map does not define the extent of the land in any registered title. This reflects the fact that the boundary of a registered estate as shown for the purposes of the register is a general boundary, unless shown as determined under section 60 of the Land Registration Act 2002. You might also wish to refer to the individual register and title plan of any adjoining titles for details of the surrounding registered estates and their general boundaries and/or determined boundaries.

### Result

The index map has been searched in respect of the Property with the following result:

No registered estate, caution against first registration or application for first registration or application for a caution against first registration is shown on the index map in relation to the Property. We therefore hold no records in respect of the Property.

The plan lodged with your application for a search of the index map has been accepted for this application. Any statement of disclaimer has been disregarded as it is assumed that it was not intended to apply for the purposes of the application.

Please note that the acceptance of the plan for this particular application does not necessarily mean that the same plan would be accepted if subsequently used for another application. All plans lodged with a Land Registry application should comply with the guidelines in Land Registry's Practice Guide 40, Supplement 2. Lodging a plan which does not comply with the guidelines may result in requisitions being raised, (such as a request to delete a statement of disclaimer) or the application being cancelled.
